Credit Card Charge Authorization Form

Please complete and fax to 866-920-9329

I wish to maintain a member charge account at the Fairfield Golf and Country Club ("FFG&CC") in order to charge meals, beverage, merchandise, dues, capital assessments and other such charges on my account. I will advise you of any change or update to my credit card information. I may terminate this service at any time and should I do so I will settle my outstanding balance at that time.

I also understand that if I terminate this service, I must settle all future purchases at the FFG&CC in cash, check or credit card at the time of such purchases.

I also agree that I will not dispute any charges with my credit card company without first making a good faith effort to remedy the situation directly with FFG&CC. I guarantee and warrant that I am the legal card holder for this credit card and that I am legally authorized to enter into this recurring credit card billing agreement with FFG&CC.

A monthly statement showing my monthly account activity in the "current billing cycle" will be emailed to me at the address indicated below. I will have until the 10th of the month following this statement date to notify the Club via email of any discrepancies in order to have the correction made on that current billing cycle. I understand that my credit card will be charged for the statement amount less any adjustments and unresolved discrepancies I sent to you before the 10th of the month. This charge will be made to my credit card on the 15th of the month following the statement date (for example, The September 2013 statement amount, less any adjustments, sent to you will be charged to your card on October 15, 2013). I must email the club at countryclubadmin@lisco.com with any discrepancies by the 10th of the month.
